

Ellisville Elementary Trivia Night January 24, 2009

January 29, 2009

Dear Kenny:

The Ellisville PTO wanted to say thank you to a job well done and to you and your staff. With the help of St. John's, our first annual Ellisville Trivia Night was a huge success. Your event staff was well organized, great to work with, and made the overall success of the fundraiser seem effortless.

Ellisville Elementary School looks forward in working with you and your staff for future events. We could not be more pleased with our outcome.

We commend all your hard work for this special event for our school. The parents, children and teachers of Ellisville Elementary, appreciate all your help with this event.

Sincerely,

Mara Ferguson

Event Chairman for Trivia Night
