Re: Marquette High School Baseball Booster Club Event
January 31, 2009

Dear Kenny:

Please accept our thanks for the terrific service we received in both planning and executing our "Winter Warm Up" Trivia Night and Auction. You and your staff were very helpful and accommodating in meeting all of our needs. Everyone we worked with was very pleasant and professional. We appreciate the time you spent helping us plan, answering our questions, and providing us with diagrams and advice on how best to suit our guests. With your help, we were able to meet our fundraising goals and everyone had a great time!

I feel any group would be hard pressed to find a better, more convenient and pleasant location for an event. We are looking forward to working with you again next year!

Sincerely,

Eileen Holtzman
Event Chairperson
VP Marketing & Fundraising
Marquette High School Baseball Booster Club

2008-2009 Marquette High School Baseball Booster Club
